KLARITYRISK SHORTLISTED FOR THE WEALTHBRIEFING GCC REGION AWARDS 2015

London, UK - 6 October 2015, KlarityRisk Ltd, one of the region's foremost Investment Risk Management Software provider has been shortlisted for the second *WealthBriefing* GCC Region Awards 2015 in "Risk Management" and "Best implementation of a technology solution" categories.

Showcasing 'best of breed' providers in the global private banking, wealth management and trusted advisor communities, the awards were designed to recognise companies, teams and individuals which the prestigious panel of judges deemed to have 'demonstrated innovation and excellence during 2015'.

Commenting on the firm's shortlisting, Mr Makis Ioannou, CEO, KlarityRisk said: "We are delighted to have been shortlisted for these prestigious awards. It is a great honour to be recognised in the shortlist and this is testament to the hard work that the team have put in over the last 12 months focusing on meeting the industry's need for flexible and robust, on premises, risk management software solutions while solving wealth management business problems and protecting from market, legal and reputational risks."

ClearView Financial Media's Chief Executive, and Publisher of *WealthBriefing*, Stephen Harris, was first to extend his congratulations to the shortlisted firms. He said: "The firms who have been shortlisted in these awards are all worthy competitors, and I would like to extend my heartiest congratulations. These awards are judged on the basis of entrants' responses to a number of specific questions, which had to be answered focusing on the client experience, not quantitative performance metrics. That is a unique, and I believe, compelling feature. These awards will recognise the very best operators in the private client industry, with 'independence', 'integrity' and 'genuine insight' the watchwords of the judging process - such that the awards truly reflect excellence in wealth management. "

Winners will be announced at a gala awards dinner which will be held at Mina A'Salam Hotel, Dubai on Tuesday 10 November, 2015.

About KlarityRisk

KlarityRisk is an Investment Risk Management software and services provider, exclusively focused on the buy-side sector of the Investment Management Industry, serving clients across Europe, via its solution called Paragon.
